ORGANIZED CRIME

Most people made profit when the us gov banned alcohol because people began to sell it illegally. This would help lead to the worst crimes to happen in the 1920's.

The success bootleggers had made them get into illegal hobbies like prostitution and gambling. Groups would fight for a place in the us to make profit selling liquor.

ORGANIZED CRIME

Al Capone was not the only gangster out there but the worst one. He was also called scarface and was the best in Chicago. He was not put in jail till 1931.

Al Capone mentor was Johnny Torrio. Al Capone would do Johnnys bussiness for him. Al capone would get the bussiness in 1925 and move operations to chicago.
